

2016 SLSNSW COUNTRY CHAMPIONSHIPS FINAL WRAP UP

Excerpt from email to Members from Club President, Mick Lang

I thought I would take this opportunity to congratulate and thank all of our TEAM, who attended the NSW Stramit Country Championships at South West Rocks.

We had a small team in the juniors this year, but we are rebuilding and all our junior members did the Club proud. Please see the **great** results below.

Our Open and Masters Competitors also did very well and their **outstanding** results are also below.

In the surf boat arena, our crews did extremely well. The Open Girls came second in a closely fought final and the boys competed in the masters 120 division and finished second. Great result. They then backed up in the Reserve grade and made the final, but finished out of the placings. Big day for the boys they had 9 races over the divisions. Congratulations must also go to Kevin Owens (KO) their sweep, for keeping them focused throughout the day.

I'd like to thank all our Club Officials who gave up their time to officiate at Country. As well as a special mention to our water safety crews who did an outstanding job over the two days. Richard Broomby suffered an injury on the Saturday, but we managed to keep up our side of the roster. Great effort guys.

Finally a congratulations to all the Team Managers, parents and supporters who braved the inclement conditions yesterday and backed up today. Hope everyone enjoyed the Country Championships.

The Club spirit is alive and well and I look forward to our Club improving on our efforts at the State Championships.

Thanks to Sandra Slattery for the report below.

Junior March Past Team:

Bronte McAllister; Caleisha Thrower; Savana Sumsy; Elizabeth Mitchell; Tara Mitchell; Alyssa Slattery; Taj Thrower; Lucy Strahorne; Sea McManus; Erin Rapley; Darcy Rapley and Laukin Moore

These guys & girls were awesome on the day. The majority of the kids were only new to March Past this year and they did really well, I must also acknowledge the other kids who made themselves available to participate if needed Billie, Charlotte, Kai, Tyse and Pearl a job well done!!

The Senior March Past Team was awarded a Bronze :

Jade Horton; Tara Slattery; Linda Perkins; Deb Bartlett; Bronwyn Horton; Tiff Bartlett; Jacki McAllister
Sandra Slattery; Nicole Chilcott; Raelene Myers; Amanda Higgerson and Tane Power

This team again had a lot of new people but we had fun!!!

On the Country Champs weekend there were a lot of Master Competitors, some of whom had never competed before and I must say the women in the masters ruled!

(The final results for the Club up to 6th placing (all points for the Club) appear at the end of this report)

We also had some Cadets participating, Max Atherton and Max Milligan

Tara Slattery, Jade Horton, Tiff Bartlett and Lachlan Myers also participated.

A good overall participation from the club. I feel next year we have more competitors and we need to get the masters men involved!
