

K9-D

The Ozzy K9-D is our most all-purpose model. Diesel for efficient and tough power. Those who previously had a diesel 950, K93, All-Rounder or K94 will love the new Ozzy.

For the late model K94 owner it'll mostly be 'a change of clothes' but for all others it is a huge upgrade with more of everything.

With that comes the ability to do everything better. It is a work machine. It'll earn you much more.

The Dingo K9-D is the ultimate no nonsense rugged Dingo combining some of the great features of the range topping CONTRACTOR with the tried & tested reliability of the ever popular K9-4. The K9-D has a generous 47lpm hydraulic flow and hydraulic relief of 3200psi.

Specifications OZZY K9-D

Engine	Make	Yanmar TNV80
	Power	27 hp (19.9 kw)
	RPM	3400
Hydraulics	Hydraulic pumps	2
	Pump sizes	11cc and 4cc
	Relief pressure (AUX)	3200 psi (220 bar)
	Hydraulic output	47 litres/minute
	Max travel speed	7.5 kms / hour
	Rated lift capacity	325kg WLL* / 600kg MLL**
	Wheel motors	4
	Aux hydraulic outlets	2
Dimensions		
A	Overall width	1035mm
B	Overall length	1600mm
C	Overall height	1200mm
D	Max operating height 4 in 1 bucket	2645mm
E	Turning radius with 4 in 1 bucket	1300mm
F	Angle of departure	25 degrees
G	Wheel base	800mm
H	Ground clearance	135mm
I	Dump height standard bucket	1450mm
J	Dump height 4 in 1 bucket	1835mm
K	Reach fully raised 4 in 1 bucket	800mm
L	Height to hinge pin	1940mm
M	Machine width 4 in 1 bucket	1050-1200mm
	Hydraulic reservoir capacity	76 litres
	Machine mass	984kg
Warranty		3 years / 1000 hours

*WLL – working load limit

**MLL – maximum load limit
