

## Capability Statement

### Introducing Topfire

Mount Isa-based, and with equipment and a large team to service remote and regional Queensland, Topfire Constructions Pty Ltd (Topfire) is an award winning, privately owned civil construction and poly pipeline contractor, operating in the mining, industrial, and government sectors.

Topfire has the capability, equipment, and manpower to undertake all aspects of civil construction services, working either directly for the project owner or as a sub-contractor to other tier one and two service providers and project owners.

### Core Business

Our core business is servicing the civil construction, poly and steel pipeline, and asset maintenance demands of mining operations, major project proponents, and local government councils.

Services	What We Provide Our Customers	Mining	Industrial	Government
Poly pipe works	 Full service range, incl. fabrication, installation, drainage, dewatering, repairs + maintenance	✓	✓	✓
Excavation	 Excavators with rock breakers + variety of buckets + attachments	✓	✓	✓
Concreting	 Minor works to major projects	✓	✓	✓
Earthworks	 Bulk earthworks, incl. civil works, site clearing, site levelling, and clean ups	✓	✓	✓
Plant hire	 Wet / dry hire of large range of trucks, incl. heavy haulage, earthmoving equipment, mobile plant, gen sets + compressors	✓	✓	✓
Labour hire	 Large scalable + safe workforce of operators licensed, trained, construction + mine site inducted	✓	✓	✓
Asset maintenance	 Ongoing asset maintenance and public works, including slashing, firebreaks	✓	✓	✓

## Track Record

Topfire's track record comes from consistently delivering quality services and project outcomes. We are currently a preferred contractor with:

- Glencore Mount Isa Mines.
- Lady Annie and Ernest Henry mines.
- Other junior mining companies operating in the North West Queensland region.
- Queensland local government councils.
