

## SP SPORT 300E

### A family car tyre that feels like a sports performance tyre

The Dunlop SP Sport 300E has been developed with a silica tread compound and jointless band construction to give this family car tyre the feel of a low profile, high performance tyre. It delivers superior braking and handling in wet and dry conditions, along with enhanced steering response when cornering. The SP Sport 300E is endorsed by motor sport legends and car manufacturers including Toyota.
