

Wrangler MT/R with Kevlar®

The revolutionary off-road tyre built with the rugged toughness of DuPont™ Kevlar® for enhanced sidewall puncture resistance

The Wrangler MT/R Kevlar® is Goodyear's first off road tyre to incorporate DuPont™ Kevlar®, an innovative material that's used in items requiring strength and resilience to be maintained in a wide range of temperatures. The innovative use of Kevlar brings superb sidewall cut and puncture resistance to an area of the tyre that demands extra toughness when driving off-road. It also helps the sidewall for when drivers return to the pavement.

▶ TECHNOLOGY: FEATURES AND BENEFITS
