

**GOODYEAR**  
One Revolution Ahead

# GOODYEAR EfficientGrip SUV

with **QuietTred** TECHNOLOGY

Strong and robust, the Goodyear EfficientGrip SUV is engineered with QuietTred Technology to let SUV drivers "command the road and control the noise". QuietTred Technology is a combination of noise dampening tread design and a shock absorbing carcass, providing a long lasting luxurious and quiet ride.

## ▶ TECHNOLOGY: FEATURES AND BENEFITS

### Features

- QuietTred Technology
- High Grip Design
- Responsive Tread & Carcass Design
- Fuel Efficient Construction

### Benefits

- Combining a **Closed Shoulder Design, Increased Pitches, Rib Type Design** and **Shock Absorbing Carcass** delivers an exceptionally quiet and comfortable ride, ideal for a SUV.
- The optimised contact patch, along with the high number of biting edges provides better grip, improved cornering and reduced wet braking distances.
- Provides a very responsive structure encouraging crisp handling behaviour for heavy SUV vehicles.
- The highly loaded silica blend compound reduces intra-molecular friction for measureable reductions in fuel consumption.
