

# H03

The **H03** is a tubeless light truck/van tyre with superior traction for all season usage.

Designed primarily for highway use on commercial and recreational vehicles.

## FEATURES

Steep zig-zag grooves on tread shoulders

Large tread blocks

Tie-bars between shoulder blocks

Wear resistant tread compound

Lamellen siping of tread blocks

## BENEFITS

Excellent traction in wet, dry and snow conditions

Minimised tread flex and good wear resistance

Resistance to irregular wear on tread shoulders and cornering grip on sealed roads

Long tread life

Improved wet traction on sealed roads
