

Wrangler Duratrac

A hardworking, versatile off road tyre that won't feel out place when you're back on the pavement.

The new Wrangler Duratrac is an extremely versatile tyre that is at home on dirt roads, paved roads and everything in between. It's a hardworking tyre that complements today's full sized 4WD's and Utes. With this new tyre in the line up, you'll be able to take advantage of having a predominantly off road tyre, which can also handle on-road conditions comfortably.
