

M143

The **M143** from Toyo Tires is a tubeless, highway-rib truck/bus tyre suitable for all axle positions. It features wide tread width, wide shoulder ribs and a flat crown radius for optimum handling and improved wear qualities.

● Most suitable
 ● Suitable
 ● Not recommended

FEATURES

Wear resistant, long-link carbon black tread compound

Flat crown radius and wide tread profile

Wide, rigid shoulder ribs

High-elongation cord top steel belt

BENEFITS

Excellent abrasion resistance for long tread life

Even contact pressure for resistance to irregular wear and maximised removal life

High levels of cornering grip and excellent resistance to shoulder wear

Superior retreadability
